Gender-Sensitization Committee

Reference No:-VACP/2025/July/002

Gender sensitization is the process of raising awareness and promoting understanding of gender equality issues, challenging gender stereotypes, and fostering respectful and inclusive behavior towards all genders. It involves educating individuals about gender-based discrimination, harassment, and violence, and encouraging them to examine their own biases and attitudes. Ultimately, it aims to create a society where everyone is treated with dignity and respect, regardless of their gender identity.

Gender Sensitization committee is hereby constituted of following members:
