About The College

VAMC&RH CON 2026-27

5

Varun Arjun Medical College is a premier institution committed to excellence in medical education and healthcare. It is run by award winning team of highly educated doctors of repute, which is a matter of immense pride for the institution.

College offers:

- A rigorous academic curriculum combined with practical training to shape competent and compassionate medical professionals.
- Experienced faculty, innovative teaching methods,
- Focus on research and ethics,
- Equips students with the knowledge and skills needed to meet the evolving demands of the medical field.

Recognition:

National Medical Commission

Affiliation:

Varun Arjun University

Established by:

Varun Arjun Trust

The institution is dedicated to provide quality education, for nurturing future leaders in healthcare. It is guided by its distinguished patrons and leadership.

Dr. Keshav Kumar Agrawal,
Chancellor

Dr. Lata Agrawal,
Vice-Chancellor,

Dr. Ashok Agarwal,
Pro-Chancellor

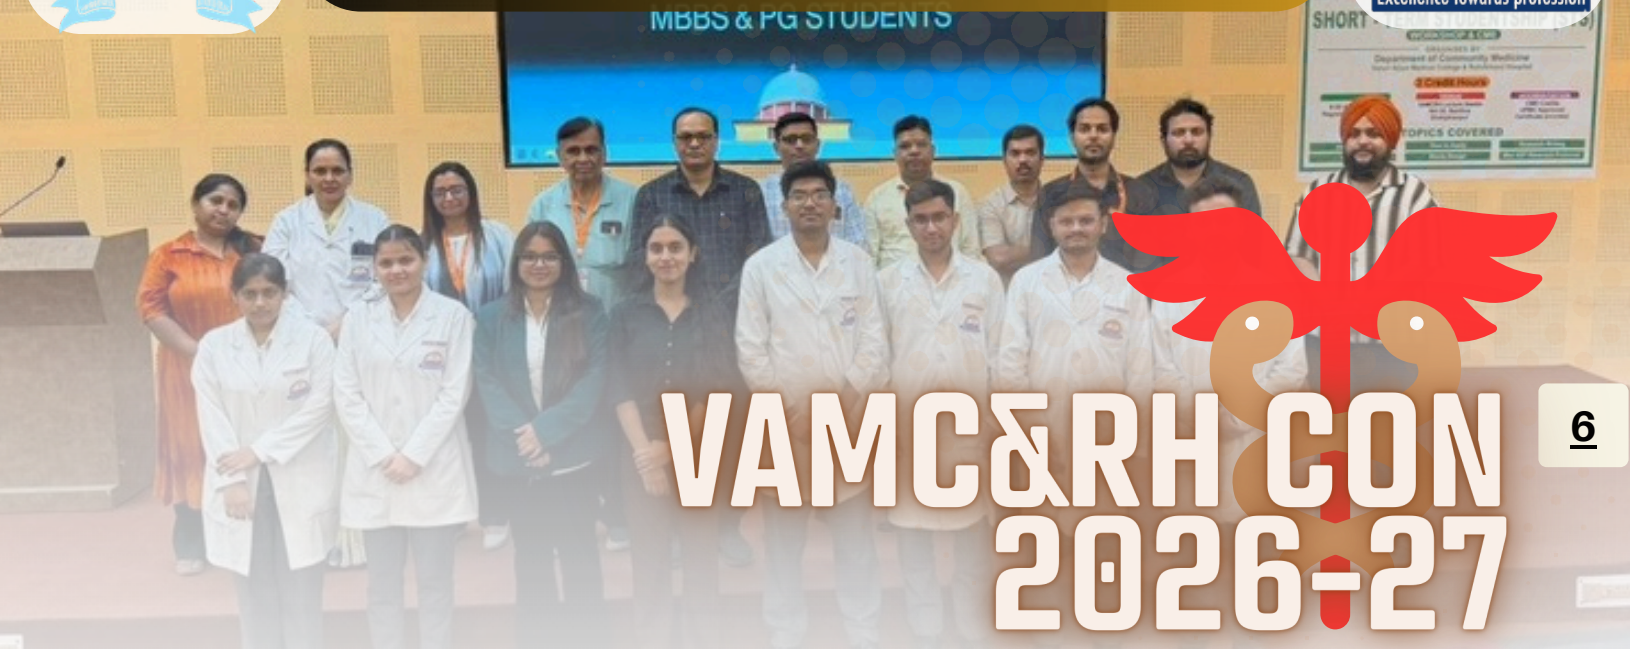

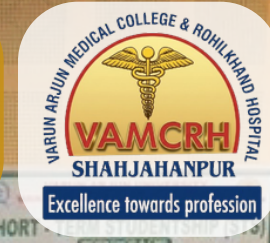

Varun Arjun Trust

Dr. Kiran Agarwal,
Pro-Vice Chancellor.

Their collective vision and commitment have played a significant role in strengthening medical education, healthcare services, and research at Varun Arjun Medical College & Rohilkhand Hospital.

Department of Community Medicine

VAMC&RH CON 2026-27

6

The Department of Community Medicine at Varun Arjun Medical College & Rohilkhand Hospital, Shahjahanpur, is committed to excellence in medical education, public health service, research, and community outreach.

Vision

Developing competent, compassionate, and socially accountable healthcare professionals.

Role of the Department:

- **Provides comprehensive** undergraduate and postgraduate training through interactive classroom teaching, field-based learning, and hands-on exposure at Rural and Urban Health Training Centres.
- **Actively conducts** health surveys, disease surveillance, and community-based research while
- **Promotes** evidence-based public health practices.
- **Regularly organizes** health awareness programmes, health camps, national health day activities, Continuing Medical Education (CME) programmes, workshops, quizzes, and outreach activities in collaboration with various stakeholders.

Recent Events:

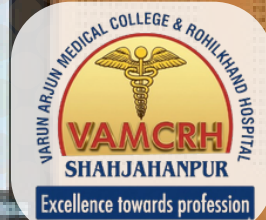

During 2026, the department successfully organized -

1. **Good Clinical Practice (GCP) CME**
2. **ICMR-STs Oriented Hands-on Workshop**

The department actively focuses to strengthen research methodology, ethical clinical practice, and scientific writing skills among undergraduate and postgraduate students. Faculty members are actively involved in research, scientific publications, and mentoring postgraduate students in thesis work, research methodology, and data analysis.

WELCOME NOTE

VAMC&RH CON 2026-27

7

Dear Students / colleagues,

It gives me immense pleasure to welcome all the esteemed delegates, distinguished speakers, faculty members, researchers, and students to the National Conference on "Research Methodology with AI Tools for Research & Documentation."

Research is the cornerstone of medical advancement, and the integration of Artificial Intelligence offers exciting opportunities to enhance research, documentation, and evidence-based practice.

I am confident that this conference will provide a valuable platform for learning, discussion, and exchange of ideas, while encouraging responsible and ethical use of AI in healthcare research.

I congratulate the organizing committee for this commendable initiative and wish the conference great success and fruitful deliberations.

Dean & Principal

**Dr. Ravindra Nath
Shukla**

INVITATION

VAMC&RH CON 2026-27

8

Dear friends / colleagues,

It gives us immense pleasure to invite you to VAMC&RH CON medical research Update 2027 on Research & Documentation being organised at VAMC&RH, Shahjahanpur, UP.

Shahjahanpur, a city renowned for its rich cultural heritage, historical importance and education growth is rapidly emerging as a center of excellence in medical education, health care delivery & clinical research in Northern India.

VAMC&RH is dedicated to delivering quality patient care, promoting evidence-based medical practice, advance research & nurturing academic excellence through innovation & continuous profession development.

**Organizing
Chairperson**

**Dr. Dharmendra
Kumar Gupta**

**Head of Department,
Community Medicine**

**ORGANIZED BY: DEPARTMENT OF COMMUNITY MEDICINE,
VARUN ARJUN MEDICAL COLLEGE & ROHILKHAND HOSPITAL, SHAHJAHANPUR**

About The Theme

9

Theme

**Research Methodology
with AI tools for
Research & Documentation**

This conference is designed to strengthen the research capabilities of medical students, interns, postgraduate trainees, faculty members, and researchers by combining the fundamentals of research methodology with the latest Artificial Intelligence (AI) tools. It emphasizes the complete research process—from identifying a research problem and formulating objectives to study design, data collection, statistical analysis, manuscript writing, and publication.

Participants learn how AI can assist in literature searches, systematic reviews, reference management, data visualization, scientific writing, plagiarism checking, and research documentation while maintaining academic integrity and ethical standards. The conference also addresses important topics such as responsible AI use, data privacy, research ethics, bias in AI-generated content, and publication ethics.

Through expert lectures, workshops, and hands-on sessions, attendees gain practical skills that can improve the quality, efficiency, and impact of their research.

Theme Highlights

- **Improves research skills:** Provides a strong foundation in research methodology and study design.
- **Introduces AI tools:** Familiarizes participants with AI-assisted platforms for literature review, writing, data analysis, and documentation.
- **Enhances publication quality:** Teaches scientific writing, manuscript preparation, and journal submission strategies.
- **Promotes ethical research:** Highlights research ethics, plagiarism prevention, and responsible AI usage.
- **Networking opportunities:** Enables interaction with experienced researchers, faculty, and peers from different institutions.
- **Hands-on learning:** Workshops provide practical experience with research software and AI applications.
- **Keeps participants updated:** Introduces the latest trends and innovations in medical and public health research.
- **Supports academic growth:** Helps in developing research projects, dissertations, and conference presentations.
- **Boosts career prospects:** Research experience and conference participation strengthen CVs and are valuable for postgraduate admissions, fellowships, and academic careers.
- **Encourages evidence-based practice:** Improves the ability to critically appraise literature and apply research findings in clinical and public health settings.

Call for Abstract!

VAMC&RH CON 2026-27

18

We're pleased to invite all post-graduates to Poster and Paper Presentation Competition, that will be held on 22nd February, 2nd day of VAMCH&RH CON 2026-27. Delegates are invited to display their research work in a structured and competitive scientific environment, for the topic(s) related to theme. The best ones will be recognized & awarded.

Guidelines For Abstract Submission

- For paper & case presentation, registration for conference is mandatory.
- Must have a precise and informative title, avoid any type of abbreviations
- Word limit: 300
- Format: .docx or .pdf
- Font size:
 - 16 for heading,
 - 14 for subheading, and
 - 12 for content,
- Font family – Times New Roman
- It must be structured as given on right side and in the provided template(s)
- Use Vancouver style formatting for References section

Structure

For Abstract and oral Paper/Poster presentation

- Introduction
- Objective
- Methodology
- Result
- Conclusion
- References

**Register & Submit
your abstract !!**

Begins: 15th September 2026
Ends: 15th January 2027

Oral Paper or Poster Presentation

VAMC&RH CON 2026-27

19

Guidelines For Oral Paper/Poster Presentation

- The text should include relevant pictures tables, supported by data and should include descriptive history, physical examination, lab investigations and treatment.
- You can alter the number of slides as per your requirement but comply with the headings for oral paper presentation
- Font Family: Times New Roman/Calibri
- Format: .ppt or .pptx
- Poster should only contain topic & poster number (which will be provided after abstract submission)
- The PowerPoint file should be duly titled in the format –
 - “Name of Participant – Title/Topic – Submission”Example: ABC-Case/Study -Hemangioma.

Specific guidelines For Poster Presentation

- Stick to the structure and templates given in powerpoint.
- Font Family: Times New Roman/Calibri
- Font size:
 - 72 for heading,
 - 48 for Author and its details
 - 36 for subheading, and
 - 28 for content.
- Include relevant data, tables and pictures
